

POLITECNICO
MILANO 1863

Application form for spontaneous proposal

If you are an international academic or designer who wishes to come to the Politecnico di Milano – School and Design Department - to do research or teaching activities, you are welcome to fill the following form and send the required documents back to visiting-design@polimi.it and rele@polimi.it

The Design School and Department have two deadlines to accept candidacy:

- | |
|--|
| - March 31 st - for 1 st and 2 nd semester of the subsequent academic year applications |
| - September 30 th - for 2 nd semester of the same academic year applications |

Results will be communicated by e-mail after the application deadlines.

No specific positions are open, but according to the interest and quality of your proposal, research teams and academic programs might host you and even offer paid teaching assignments.

Note that presently Politecnico does not offer grants or wages to cover any visiting researcher position for the academic year 2016-17.

for more details: <http://www.polimi.it/en/work-with-us/visiting-professors/>

for public competitions <http://www.polimi.it/en/work-with-us/research-collaborations/>

With the present form, I wish to apply as a Visiting professor for:

Form 1	RESEARCH
Form 2	TEACHING
